---

### Perceptions

First floor bathrooms 101 and 102 were observed systematically today. Custodial performance in each area listed below was satisfactory or better.

Toilets appropriately cleaned and free of odor, bodily residues, and stains.

Urinals appropriately cleaned and free of odor, bodily residues, and stains.

Floor mopped and cleaned with particular attention to crevices and baseboards.

Lavatories cleaned and free of stains, residues, and spotting.

Wastebaskets emptied and fresh liners inserted.

Clogged, malfunctioning, or broken fixtures repaired and reported to site principal or designee.

Graffiti or vandalism reported promptly to site principal or designee.

### Reflections

Substandard cleanliness was observed in each area listed below. I encourage you to reflect on each item listed consider what changes, if any, might be warranted.

Mirrors must be cleaned, polished, and free of streaks.

All supplies must be restocked, including toilet paper, handtowels, & personal hygiene dispensers.

### Comments
