Enter the following information for each wrestler.

Name - Enter by typing First Name space and then Last Name. Do **not** use commas.

Wt - Weight class or an informational weight (actual weight). Most tournament managers will want you to enter the weight class rather than their actual weight.

Yr - Two character field for year in school ie. FR SO JR SR or 09 10 11 12. Your tournament manager may designate how the year should be entered.

Comment - Informational field that can be used for seeding criteria. Your tournament manager will recommend the type of criteria that is needed. Example - ST Q (State Qualifier) ST - 2nd etc...

Win - Numeric field indicating the number of wins for the wrestler.

Lost - Numeric field indicating the number of losses for the wrestler.

Deleting Wrestler

Click the following icon  to the left of each wrestler to remove him from the list.

Saving

You can click **Save** at any time and come back to entering your roster at a later time. You can also come back and make changes up until the specified time indicated by your tournament manager.
